## DEALING WITH DESTINY [DVD]

Come and join in all the fun in this quirky Aussie comedy about a group of good buddies on their last day of University together.

Blake, Lloyd, Vinnie, and Ricardo have to deal with an assortment of challenges that are thrown in their way, such as final exams, college pranks, attack dogs, rivalries and, of course, girl troubles.

Lloyd suspects Blake of making a move on his new girlfriend Zara, Ricardo falls in lust with the sexy gym girl, and Vinnie is more in love with Betsy, his yellow 1969 fiat sports car. And what about the arrival of the cute nurse called Destiny?

Follow the turning of the tarot cards as Zara uses her self-styled cosmic powers to predict their future pathways. Amazingly, everything seems to be coming perfectly true- or is there a surprise at the bottom of the deck?

Starring upcoming talents Luke Arnold ("Broken Hill"), Clayton Moss, Roger Sciberras ("Fool's Gold"), and Catherine Jermanus, it's directed by Colm O'Murchu ("The Makeover"), and also features a killer soundtrack from "Blue Pie Music".

So get your hands on this zany "feel good" DVD that's loaded with bonus extras, and have a great time taking a journey with us through friendship, love, and destiny!
