**THE ORDER OF THE ALCHEMIST [DVD]**

Almost everybody is now aware of the infamous history of the Knights Templar. But not everybody realizes that there was another Order from that same time, with the same roots, that still exists today and has incredible power.

This film reveals the true history of the Sovereign Military Order of Malta and in so doing, we discover occult and sinister forces at play.

From the days of heroic battles against Ottoman forces, to the alchemical world of the Grand Master himself, this film explores some very difficult questions:

Who are these Knights?

What was their role?

Who gave them authority?

The story of the Knights of Malta is filled with mystery, intrigue and excitement. Come with us on a journey into the heart of battle.

Featuring cutting-edge computer generated reconstructions and exclusive footage filmed in the Order's Sacra Infirmaria, Church's, Cathedral's, Castle's and grand buildings throughout Europe.
